

U.S. HANDLE WORLDWIDE TRADE, LLC.

# INTRODUCTION

- U.S. Handle Worldwide Trade, LLC., established in 2018 with over 22 years of experience in international trade. Initially focused on livestock exports, we now assist companies in expanding their global business and optimizing their supply chains. We guide companies through all aspects of commercialization, including sustainability and circular economy practices. Under Karla Baeza's leadership, we develop synergies, build alliances, and meet needs, turning challenges into opportunities for innovation and growth. We firmly believe that even in times of crisis or conflict, it is the most optimal moment to generate business and demonstrate that trade is a continuously evolving landscape.

# CUSTOMS CLEARANCE

- We manage all aspects of customs clearance to ensure your shipments comply with regulations and move smoothly through U.S. customs. Our expertise helps minimize delays and ensures a streamlined, hassle-free import process.

# IMPORTS

- Our team oversees the entire import process, from documentation to logistics, ensuring that your products arrive efficiently and in full compliance with all relevant regulations.

# EXPORTS

- We streamline the export process by managing all aspects, from paperwork to shipping, to support your market expansion and facilitate compliance with international requirements.

## TRANSPORTATION (+ DISPATCH SERVICES)

- We provide comprehensive transportation solutions within the U.S., including dispatch services that coordinate load bookings, offer real-time shipment tracking, and deliver 24/7 roadside assistance. Our services ensure timely deliveries, maintain operational efficiency, and address any issues promptly, helping you to keep your shipments on schedule and your business running smoothly.

## WAREHOUSING

- We offer secure warehousing solutions within our own facilities, adept at handling a diverse range of products, including hazardous materials, temperature-controlled items like fresh produce and wines, as well as specialty goods such as tequila and construction materials. Our facilities are fully compliant with all necessary credentials and regulations, ensuring safe storage and adherence to specific requirements for each product type.

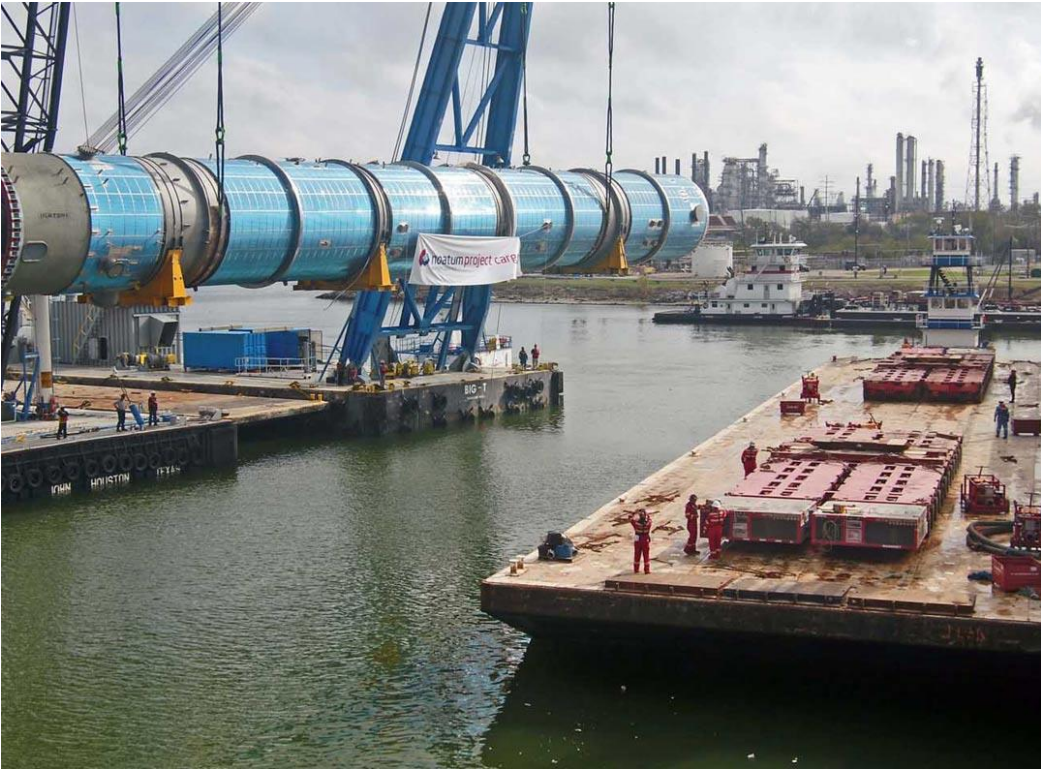

# COMPLIANCE

- Our compliance services ensure that all operations adhere to industry standards and regulatory requirements. We maintain constant communication with CBP and U.S. authorities to ensure that everything is handled by the book, 24/7.

# PROJECT CARGO

- We specialize in managing large and complex bulk projects, including infrastructure developments, heavy machinery, and other project cargo. Our tailored solutions handle oversized and challenging cargo with precision and efficiency.

# MARKET ENTRY

We assist with market entry strategies, including product development, placement, branding, labeling, and adaptation. Our services include:

- Market Adaptation and Tailoring of Latin Products for North America We adapt Latin products to align with North American consumer preferences and standards, including presentation and marketing adjustments.
- Tailoring U.S. Products for International Markets We tailor U.S. products to meet the needs and expectations of foreign markets, ensuring effective global expansion.
